STUDY ABROAD IN SPAIN THIS SUMMER.

Welcome to “Summer in Seville”

Study abroad with Program Director, Aurora Hermida-Ruiz from the Department of Latin American, Latino, and Iberian Studies (LALIS). In Seville (Sevilla), the city of flamenco, bull-fighting, tapas, orange trees and olive orchards, students live with a local family and take two LALIS courses taught at EUSA (Estudios Universitarios y Superiores de Andalucía), affiliated with the University of Seville since 1996. EUSA is located in Nervión, a fashionable neighborhood just a short walk away from historical monuments, parks, shopping centers and a major soccer stadium.
